Print method	Print-on-demand textile printing, depending on the production partner

Economic operator / contact

Responsible person / EU contact: HONSON VENTURES LIMITED. Email: gpsr@honsonventures.com. Please use this email address for product safety enquiries.

Materials and composition

Material composition may vary by model, colour and size. Typical materials include cotton, cotton-polyester blends or polyester-containing colour variants. See the physical product label and the relevant online listing for the exact composition.

Intended use

This product is intended as casual apparel. It is not personal protective equipment, not safety workwear and not a flame-resistant product.

Safety warnings

- Keep away from open flames, heat sources and sparks. The product is not flame-resistant.
- Keep packaging materials away from children. Plastic bags or films may present a suffocation risk.
- Discontinue use if skin irritation, discomfort or an allergic reaction occurs.
- Do not treat printed areas with harsh chemicals, solvents or bleach.
- Check size and product information in the listing before use.

Care instructions

- Wash inside out. Cold machine wash, recommended 30 °C.
- Do not use chlorine bleach. Do not dry clean.
- Tumble dry low or air dry.
- Do not iron directly over the print.

Legal guarantee and traceability

Consumers in the EU and Northern Ireland benefit from the legal guarantee under the applicable consumer protection rules. Product and batch information may vary by production partner, order and labelling.
